## KULANU AT TEMPLE EMANUEL

Since 2002, Kulanu has supported and sponsored LGBTQIA+ inclusion and programming at TE and in the community, with initiatives including numerous Shabbat celebrations and consistent participation in local Pride events. ## FAITH FOR PRIDE

TE is proud to be a co-sponsor for the second annual #Faith4Pride, joining interfaith partners in sponsoring a month-long effort to highlight religious support for LGBTQ+ equality. We are joining together to organize and push back against anti-LGBTQ+ rhetoric, fight anti-LGBTQ+ legislation, and support grassroots organizations that work with LGBTQ+ communities. This June and beyond, we must build an interfaith movement that fights for the rights and safety of the LGBTQ+ community. Learn more: <https://interfaithalliance.org/pride/>
